A motion was made, seconded and passed to approve the May 10, 2019 minutes.

Attendances Per Board/Consent Order

Drs. Nancy Malcolm and Shannon Gore Wright each appeared before the board with Rebecca Gaston of the Arkansas Medical Foundation. Dr. Wright informed the board that she would like to pursue employment in a corporate dentistry setting. She was instructed by the board to secure clearance from the Arkansas Medical Foundation to amend her practice setting. Dr. Plyer asked Drs. Malcolm and Wright if they felt that appearing before the board has helped them maintain sobriety; each agreed that appearing before the board was a positive reinforcement. Ms. Gaston expressed that she feels that licensees should not discuss their health record in a public meeting.

Drs. Malcolm and Wright will revisit the board in November.

Interviews for Dental & Dental Hygiene Licensure by Credentials

The following dentists and hygienists each appeared before the Board for an Arkansas dental/dental hygiene license by credentials:

- Dr. Mark Doherty

Ms. Hodges failed to appear, and Dr. Baker presented himself to discuss the matter further. Dr. Baker stated that after the incident, he contacted the Drug Enforcement Agency and following its recommendations and has installed cameras at his office.
